## **Summary**

### **About this Release**

**Note: 17 April 2007**

An error was detected in the publication, Labour Force Historical Time Series, Australia, 1966 to 1984 (cat. no. 6204.0.55.001), which was released on 02 April 2007. The data cubes have been reviewed and the total for 'Employed' in August 1973 has been changed in the spreadsheet 'Seasonally adjusted estimates of the labour force by sex and marital status - 1966-1977 - TABLE 4'.

The Labour Force Historical Time Series, Australia, 1966 to 1984 (cat. no. 6204.0.55.001) spreadsheets present some commonly used data from the Labour Force Survey (LFS) for the period from 1966 to 1984. This on-line product set includes information on the civilian population by labour force status, sex, age, marital status, full-time/part-time status, states and territory of usual residence, industry, occupation, hours worked and status of worker.

Additional data for 1966-1984 is also available in a hard copy publication The Labour Force, Australia, Historical Summary 1966 to 1984 (cat. no. 6204.0).

Current Labour Force information is available in the monthly Labour Force, Australia publication (cat. no. 6202.0) which is available from 1978.
